RECENT CLIENTS

Saatchi Art is home to the best emerging artists around the globe

We have thousands of artist relationships in more than 100 countries to directly leverage for client's design projects around the world, plus:

- Extensive experience working directly with artists and fabricators to create special commissions and custom installations
- Vast array of art products including prints, paintings, tapestries, woven wall hangings, ceramic installations, stone signage, metalwork suspended chandeliers, bespoke quilting, plaster and resin bas reliefs, and more.
- Our fingers are on the pulse of what's new and next in art and design.

Hospitality

Whether you oversee the design of an independently owned property or an international hotel brand, your most important priority is creating an unforgettable guest experience.

Our advisors will curate art from an unparalleled inventory of original works or commissioned artists to create custom pieces tailored to your project and brand.

PROJECT SPOTLIGHT

Daxton Hotel

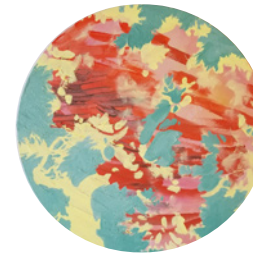

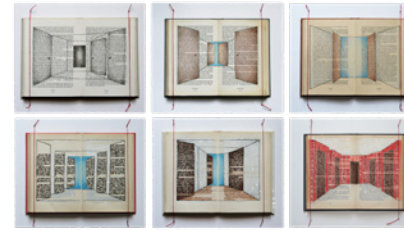

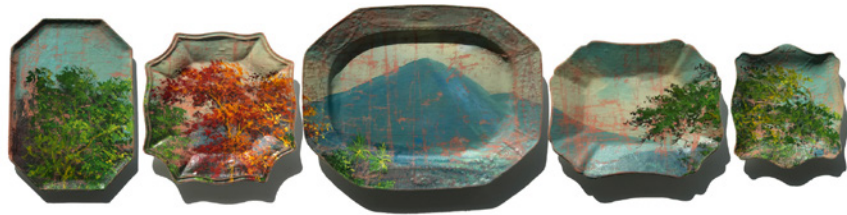

International & Eclectic

— Curated 400 original artworks for the guest rooms by artists from over 80 countries

— Commissioned more than 30 new works for the luxury hotel's public spaces

Residential & Multi-Family

We can help you select artworks to complement and enhance your vision, whether you're looking for a single statement piece or an entire collection. We work directly with emerging artists from over 100 countries, who can produce work to suit all budgets, styles, and spaces. We're happy to manage the process from beginning to end, including artwork selection and offering advice on framing and facilitating installation.

PROJECT SPOTLIGHT

Lilia Waikiki

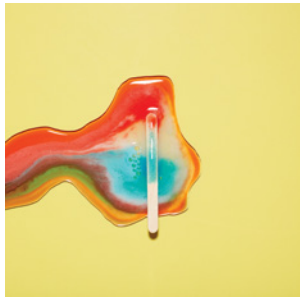

Local Art & Imagery

— 8-story residential tower

— Features artwork from Hawaii-based artists and images of local flora and fauna throughout the property

Commercial

Every aspect of a business helps to shape its identity. Our team can work with you to ensure your art program meets desired financial and functional outcomes, while enhancing the overall plan for your space. We have deep experience curating art for business headquarters, food and beverage, retail, educational spaces, and more.

PROJECT SPOTLIGHT

HUŌ Bar & Restaurant

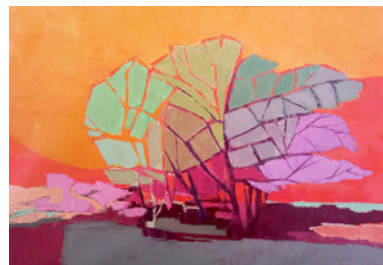

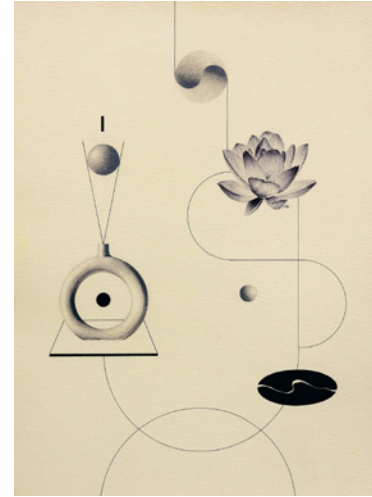

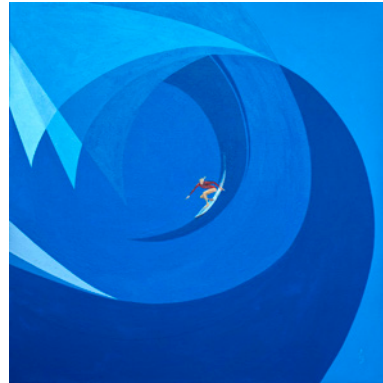

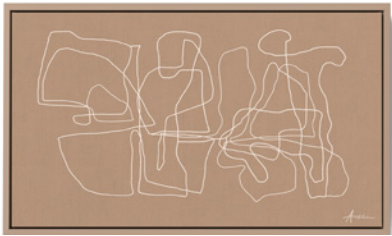

International Artists

— Curated photographs by two artists, one from Korea and one local to London

— Commissioned the works in custom sizes to fit specific niches and walls, and then delivered them to the restaurant ready to hang

Healthcare

Research shows that the artwork displayed in a healthcare facility can not only support well-being, but also foster stronger connections between patients and staff. Following findings from evidence-based design, our senior art advisors can help you procure artworks that create healing environments without distracting from the important work of recovery and wellness.

PROJECT SPOTLIGHT

Shirley Ryan Ability Lab *Joyful & Bright*

— Curated works by an international roster of more than 130 artists

— Uplifting and imaginative art to create immediate emotional connection for patients
